Subject: Request for Approval and Issuance of NOC for 6-Month Internship at Eternal (Zomato)

Respected Sir,

I am **Aakash Shankar Prasad** (Roll No: **2201CS01**), currently pursuing my final year of B.Tech in Computer Science and Engineering. I am writing to seek formal approval for a **6-month internship at Eternal (Zomato)** , scheduled from **January to June 2026**. Along with this, I kindly request the issuance of a **No Objection Certificate (NOC)**, as required by the organization.

As per Office Order Ref No. **IITP/Acad/DR/2024/271 (Option 2)** dated **18.11.2024**, I intend to fulfill my final semester requirements through a hybrid mode, while simultaneously pursuing my internship. I have carefully planned my course registration to ensure all academic obligations are met:

Course Code	Course Name	Credits	Mode
CS457	Bigdata Security	6	IIT Patna
CS548	Wireless Networks	6	IIT Patna
CS563	Natural Language Processing	6	IIT Patna
CS	Project II (BTP)	6	Hybrid
Total Credits:		30	

I assure you that I will diligently manage my coursework responsibilities through online access to lectures and materials (to be coordinated with the instructors), maintain regular contact with my BTP supervisor, and ensure my presence on campus for all major evaluations including mid-semester and end-semester exams.

To support this request, I have attached:

- Individual permission requests addressed to each course instructor for hybrid learning and access to resources.
- Offer letter by the company.

I sincerely request your kind approval for this internship opportunity and the issuance of the NOC in the attached format. Thank you very much for your support and consideration. Please feel free to contact me for any further clarifications.

Yours sincerely,

Aakash Shankar Prasad

Subject: Request for Permission to Complete Wireless Networks (CS548) and Bigdata Security (CS457) in Hybrid Mode

Respected Mayank Agarwal Sir,

I am **Aakash Shankar Prasad**, a B.Tech student from the Department of Computer Science and Engineering, and I intend to enroll in **CS548 : Wireless Networks (3-0-0-6) and CS457 : Bigdata Security (2-0-2-6)** during the 8th semester.

In light of my selection for a six-month internship, I kindly seek your permission to access lab manuals, course presentation slides, and online resources for this course to stay on track with lab work while off-campus.

I plan to visit the campus for **mid-semester and end-semester exams** to complete all required experiments under your supervision. If you suggest an alternative arrangement, I'm happy to follow it.

I kindly request your approval and signature below to facilitate this arrangement.
